

Tryptophan in Stool (1279)

New Analytics and a CE-marked special collection tube for the Highest Quality Standards

Mainz, 26th October 2025

Dear colleagues,
dear members of the medical practice team,

As of 1st November 2025, GANZIMMUN Microbiology will introduce new analytical procedures as well as CE-marked special collection tubes for the following tests:

- Tryptophan in Stool (Profile No.: 1279)
- Complete Intestinal Health Profile (Profile No.: 9837)

The new special tubes have been checked and approved in accordance with the EU Regulation for In Vitro Diagnostic Medical Devices (IVDR) and comply with the highest medical safety and quality standards.

The new test kits "Histamine in Stool" can be ordered free of charge via our customer service at order@ganzimmun.de.

Any questions?

Our customer service team is available via e-mail at info@ganzimmun.de or by telephone on +49 6131 7205-0, Monday to Friday between 8 a.m. and 7 p.m. Alternatively, you may contact your assigned scientific sales representative.

With collegial regards

Dr. med. Patrik Zickgraf
Medical Director
